Anti-Bullying Week

Anti: opposed to; against

Bullying: the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online.

Anti-bullying: against bullying

Anti-Bullying Week 2020 is happening from **Monday 16th – Friday 20th November** and has the theme ‘**United Against Bullying**’. It is coordinated by the **Anti-Bullying Alliance**, which is based at leading children’s charity the **National Children’s Bureau**. They have worked with over **300 children and young people** to decide the theme for this year.

The Anti-Bullying Alliance has put together a variety of resources to aid pupils in their understanding and in taking action against bullying. They are also running a **fundraising ‘Odd Socks Day’ on Monday 16th November** and a competition to take part in.
